For this reason a man shall leave his father and mother and be joined to his wife, and the two will become one flesh. This is a great mystery, and I am applying it to Christ and the church.

Your Wedding at First United Methodist Church of Keller

We at First United Methodist Church of Keller are delighted to be part of this special time in your lives. In choosing to have your wedding in the church, you are choosing to make your covenant with each other before God and in the context of a Christian worship service. At First United Methodist Church of Keller we are committed to ensuring that your wedding glorifies God and serves as a proclamation of the divine love, which is the ground of all lasting human love.

In the following pages you will find policies which serve this purpose and maintain our church facilities for the ongoing life of our congregation. You and your fiancé are required to read these policies carefully. If you have any questions, consult the church wedding coordinator. While the church will provide copies of these policies to others involved in your wedding, including photographers and florists, you are responsible for seeing that all persons connected with your wedding adhere to these policies. The wedding reservation form, fee schedule, wedding guideline agreement form and deposit must be received in the church office before the date can be reserved on the church calendar.

We pray God's blessing on this time of preparation and on your life together.

Faithfully in Christ,

Dr. Shelly Brooks
Senior Pastor

SERVICE OF WORSHIP

The Christian marriage ceremony is a service of worship before God, normally conducted within the house of God. Reverence shall be expected on the part of all present and the service shall be under the sole direction of the pastor performing the service.

The pastor will work with the couple to incorporate personal touches meaningful to you within the authorized ritual of the United Methodist Church.

THE MINISTER'S WEDDING POLICY

The pastors of First United Methodist Church of Keller require that a couple participate with them in instruction and discussion of the privileges and obligations they will assume in Christian marriage. The pastor will direct the couple through a manual prepared by the United Methodist Church. The pastor performing the service will determine the number of sessions. It is the couple's responsibility to contact the pastor and arrange for the premarital conferences.

1. The Minister's objectives in these conferences are as follows:
 - a. To cover the purpose of marriage, role and responsibilities of the husband and wife, communication skills and conflict management, financial responsibility and sexual relations.
 - b. To assist in the planning of the wedding ceremony.
2. Any attire required for the minister, other than normal wear, will be arranged for and furnished by the wedding party.

THE WEDDING COORDINATOR

The Wedding Coordinator is a paid staff member who will take pride in the appearance of the ceremony and the details involved in the planning process of your special day. The Wedding Coordinator will assist at the rehearsals, the wedding and the reception, if it is held at the church. The Wedding Coordinator will meet the couple regarding details of the rehearsal and the wedding. The Wedding Coordinator will assist the pastor in directing the rehearsal. The Wedding Coordinator will be present during the entire period booked for the wedding. The Wedding Coordinator will contact the couple soon after the wedding is booked on the church calendar.

MUSIC AND SOUND

Because a wedding is a worship service, all music before, during and after the service should magnify the glory of God and affirm a biblical understanding of human love, the marriage relationship, and the love of God. Music of secular origin usually is inappropriate. The bride should contact the Church Wedding Organist to review and select music for the service. Since the pastor officiating at the wedding has final approval over any and all music, it must be submitted two weeks prior to the rehearsal. If tape or CD accompaniment is used, church technicians cannot be responsible for the quality of the music or its compatibility with church equipment. If a tape or CD is used, the technician must be present at the rehearsal. If sound equipment is to be used, a sound technician must be present at the rehearsal.

Church Wedding Organists:

Roger Burnell 940-566-2775

Pianist/Organist accompaniment: The church wedding pianist/organists are available for all weddings. Any exceptions must be arranged with and approved by the Wedding Coordinator. Please call first.

Soloists: Soloists must contact the wedding organist at least two weeks before the wedding to schedule rehearsal times. Such rehearsals may not be scheduled during the wedding rehearsal hour. Contact the Wedding Coordinator for a list of available soloists, if needed.

Sound: The church sound system is needed for all but very small weddings. Any operation of the church sound system (any use of microphones, CD player and tapes) shall be by an approved church technician. The church office will arrange for a sound tech for the wedding.

Other Musicians:

Use of any other musicians or instruments should be approved by the Wedding Coordinator prior to the wedding date.

GUIDELINES FOR FLOWERS AND DECORATIONS

First United Methodist Church of Keller

Be sure that you have a clear understanding of the following requirements and guidelines before planning decoration of the sanctuary. First United Methodist Church of Keller recommends that a florist or any other persons involved in decoration of the sanctuary come to see the facility during office hours, Monday–Friday, 8:30 a.m. to 4:30 p.m. or, arrange a time with the Wedding Coordinator to meet on the weekend, before planning decorations. Copies of these guidelines should be given to your florist and all others assisting in decorating the church.

1. Votive and pillar candles must be placed in containers. Taper candles should be of the drip less variety and placed in containers that catch and contain any wax drippings. All floors and surfaces must be thoroughly protected. Florists or others decorating the sanctuary will be held directly responsible for the cleaning of wax from all flooring and furniture. The church does not provide any candles.
2. The altar candles are symbolic and are used for all wedding services and must be lit prior to the lighting of other candles.
3. One floral arrangement may be placed on the altar table. Any other decorations must be approved by the Wedding Coordinator prior to the wedding date.
4. Candelabras and/or standing baskets may be placed on both sides of the altar, but in front of the altar. Candelabras may be covered with palms or other decorations as long as it does not interfere with the open flame of candles. Drop clothes must be used with candelabras. Drop clothes are not provided by the church.
5. Any decorations in the chancel area must not obstruct the entrance of the clergy or wedding party or obscure the view of the organist. Keep in mind that flower arrangements cannot be placed on the organ or piano.

6. Church decorations for Christmas and other seasons may not be removed. The altar and podium may be moved around as needed for the ceremony, but not removed from the altar area. All other furnishings must remain.
7. Pew bows or floral arrangements may not be attached in any way damaging to the finish of church furniture. No pins, glue, nails, staples, florist's clay, tape, or tacks are permitted. Ribbon, wrapped wire or plastic floral clips (made not to mar wood surfaces) may be used.
8. Flower girls may drop real or artificial petals.
9. The bridal couple may use a trinity candle, candelabra, or unity candle stand in the ceremony, however, the church does not provide these items.
10. Animals are not permitted on the premises (exceptions for service animals).
11. Times for delivery of flowers and other decorations must be approved by the Wedding Coordinator. Decoration of the sanctuary or reception area may not disrupt scheduled church events.
12. The wedding party florist is responsible for seeing that all flowers and decorations are removed from the building no later than one hour after completion of photographs. The custodian on duty is not expected to do the clean-up work for a florist or other decorator.
13. Rental equipment may not be stored at church before or after the wedding and must be picked up no later than one hour after the completion of photographs.
14. All furniture in narthex will remain including welcome tables.
15. If you desire, you may leave your altar flowers for use in Sunday services. Your gift will be appreciated. If this is your desire, please notify the Wedding Coordinator. The Altar Guild, taking into account the freshness of the flowers after a lapse of time, as well as the particular character of the Sunday Service, will determine whether the flowers need re-arranging and where they shall be placed.

The church has the following materials/equipment available for use by the bridal couple:

- Baptismal font that may be used as floral stand
- Kneeling pew
- Two white columns (pillars)
- Two glass table tops
- Various altar clothes and runners
- Communion plate and cups (elements are not provided)
- Small table that may be used for guest book
