I, _____, hereby certify and affirm that I have completed the Safe Sanctuary training provided to me by First United Methodist Church of Keller by watching or hearing a pre-recorded version of the live training.

I understand that listening to the CD/watching the video/dvd does not certify me as "eligible" to volunteer with children/youth in church programs. To be "eligible" I must also comply with additional requirements under the "Child Protection Policy" adopted by the church Ministry Team in May 2006.
